

WALK-THROUGH CHECKLIST

This checklist is provided to give you an idea of things you may want to inspect so that you know of their condition prior to completing the purchase of the home. It is not intended to be all-inclusive, and there may be other items you may think of. It is not to be implied nor inferred that @Home Realty Network in any way represents itself to be a property inspector, nor do we warrant the condition of any property.

LIVING ROOM
